

KICK For NICK™

Pfc. Nick Madaras served in Baqubah, Iraq. On September 3, 2006 at the age of 19 he was killed by an IED bomb. He may not be here in body; however, it is our goal that his spirit lives on forever.

Nick's dream was for every child in Iraq and Afghanistan to have a soccer ball. With your help we can make that dream come true. We are collecting new and used soccer balls and sending them to Iraq and Afghanistan. You may drop the balls off at Cardillo's Kitchen in Camfield Corners Shopping Center on Elm Ln.

Any questions please leave your name and number at either (704)560-0827 or (704)962-2079 and someone will get back to you within 24 hours.

Thank you,

Tyler & Andrew Adams
